

The Information Board with Regulations is an essential element of any outdoor fitness zone. It serves as a central information point, ensuring that the facility complies with safety standards. The board provides users with the necessary rules of conduct, instructions for safe use of the equipment, and emergency contact details.

Key Features

- **Safety Compliance:** Mandatory for public outdoor gyms to meet European safety standards.
- **Weather Resistant:** Made of high-quality materials resistant to UV and moisture.
- **Vandal-Proof Construction:** Robust steel frame and durable panel ensure longevity in public spaces.
- **Clear Communication:** Aesthetic and legible layout for easy reading of safety rules and emergency numbers.

Product line:	Outdoor Gym
Material :	powder-coated steel (frame)
Installation:	in concrete (foundation)
Length equipments:	460 mm
Width equipments:	53 mm
Height equipments:	1700 mm
Compatible with norm:	EN 16630:2015
